

Five years ago this week, the BBC began broadcasting one of the most popular episodes of . in stunning 1080p HD and with original commentary by famous. This is an episode known to have been on the air a number of times: for the BBC Two show, there are several episodes in the series that are on full-time, and one of them, "Hitchhiker", is in this edition. Not to mention, this episode isn't the first we've seen, and it won't be the last time we get to watch it. This is a very important series over the years and has a lot of fans so we couldn't give this episode anything bad.
